## THIS IS A LIST OF THE MOST FREQUENTLY ASKED QUESTIONS AND ANSWERS REGARDING DUMPSTERS

**Q. Do I need a permit?**

A. Yes. An administrative permit is usually issued the same day or the day after the application is submitted.

However, a permit is not required where a building permit has been issued, the dumpster is located on private property and is being used for the disposal of construction debris.

**Q. How much will a permit for a dumpster cost?**

A. There is no charge for a dumpster permit.

**Q. How do I apply for a dumpster permit?**

A. Complete the dumpster permit application that is available on this website or at the Inspectional Services Department.

**Q. Can I have more than one dumpster on my property?**

A. No, only one dumpster may be located on a residential lot at a time.

**Q. How long can the dumpster be on my property?**

A. You may have a dumpster on your property up to thirty (30) days per residential lot, per calendar year. No more than two (2) such placements shall occur within a continuous 12-month period.

**Q. Where can the dumpster be placed?**

A. The dumpster must be located on an impervious surface. No part of the dumpster may be located within or extend onto the right-of-way and/or easement including but not limited to sidewalks, parkways, streets or alleys.

**NOTE:** The property owner is responsible follow the regulations for dumpsters per Flossmoor Municipal Code Section 215-7-21 and to maintain the dumpster area free of scattered debris, overflow and all other nuisances.
