Phone: 708-957-4101
Fax: 708-335-5490

THIS IS A LIST OF THE MOST FREQUENTLY ASKED QUESTIONS AND ANSWERS REGARDING ELECTRICAL PERMITS

Q. Do I need a permit?

- A. Yes, a permit is required for an electrical service upgrade, electrical wiring for light, heat or power, any alteration or extension of any existing wiring system and for the installation, alteration, relocation of electrical equipment or fixtures including furnace and A/C.

Q. How much will a permit for electrical only work cost?

- A. The permit fee varies based on the scope of work. The minimum permit fee is \$100.00 which includes review, permit and one inspection.

Q. How do I apply for an electrical permit?

- A. Complete the building permit application that is available on this website or at the Inspectional Services Department. A contract signed by the property owner must be attached to the permit application.

Q. What paperwork should my contractor submit to the Village?

- A. The Electrical Contractor must have a \$10,000 Surety Bond and a copy of a license from a town that gives a test on file with the Building Department.

Q. What codes should be followed for electrical work?

- A. The Village has adopted the 2017 National Electrical Code. Amendments to this code are contained in the Electrical Code of the Village of Flossmoor. A link to the Flossmoor Code is attached in this website.

NOTE: The property owner is responsible for compliance with all Village codes.

Good luck with your project! Remember we are here to serve and protect you, our residents.
